ATTORNEY HINTS AT IRREGULARITIES IN FORGERY CASE

Jackson Harold Sweeney, 29, former Niles school teacher charged with three counts of forgery, entered a plea of not guilty at his appearance in Niles Justice Court last Friday, and Judge E. A. Quaresma set the time and date of preliminary examination for August 13 at 9 a.m.

The charge against Sweeney was originally filed in Centerville Justice Court but was transferred to Niles after he employed LeRoy Broun, law partner of Judge Allen G. Norris, as his counsel.

BAIL REDUCED

In his request to the court that the bail on Sweeney be reduced from $3,000 to $1,000, Broun said, "This case presents peculiar aspects, one of which is a two-year delay in the matter." Broun went on to say that Sweeney has at all times cooperated with the district attorney's office, voluntarily coming over here from his home in San Francisco, to confer with authorities. Deputy District Attorney Frank Vukota bore out Broun's assertion that Sweeney had cooperated with his office, and did not protest the request for a bail reduction. Judge Quaresma then agreed to reduce the bail to $1,000.

Sweeney, who taught in the Niles Elementary School during the 1945-46 term allegedly under the name and using the credentials of his cousin, Forrest Sweeney, is charged with forging his cousin's name to three documents.

DISCOVERED IN 1946

The ruse was discovered in September of 1946 after Glen Forrest Sweeney was discharged from the armed forces and applied at Oregon University for his credentials, only to discover that they had been sent to Alameda County.

The teacher in the school here, instructing under that name, was immediately dismissed, however charges were not filed in Centerville until early this month, creating what Attorney Broun refers to as "peculiar aspects."

LIONS CLUB FETES BASEBALL TEAM

The players on the Washington Union High School baseball team, S.C.V.A.L. champions, were guests of honor at the dinner meeting of the Centerville Lions Club Tuesday evening at the International Kitchen.

The group heard an interesting talk by Jim Tobin, former major league pitcher. A trophy was presented to Irving Alameda on his election as the most outstanding player of the year for the Washington club.

FINED $150 FOR DRUNK DRIVING

On his plea of guilty to drunken driving, Esteban R. Rangel, Niles, was fined $150 last week by Judge Allen G. Norris in Centerville.

Rangel was charged after his car collided head-on with another auto near Alvarado, injuring two persons.

CANNING SEASON 3 WEEKS LATE

Because of the lateness of the season on all fruit crops in this vicinity, none of the three canneries in Washington Township have yet begun their packing seasons.

The canneries are usually well underway the last two weeks in June with the canning of apricots and cherries. However, the Booth Cannery in Centerville and the Marlo Cannery in Decoto reported this week that they do not expect to begin packing apricots before the third week in July. Schuckl Cannery in Niles is not expected to begin the processing of cherries for another three weeks.

HORSEMEN GROUP IN FIRST APPEARANCE

The month-old Southern Alameda County Horsemen's Club, composed on the most part of horsemen of Washington Township, has already made two fine performances at the Livermore and Salinas rodeos and is scheduled to participate in the Redwood City Rodeo the first week in July.

The group, recently formed at Decoto, now has a membership of 32 and has invited any and all horsemen of this area to join their forces. They meet each Wednesday at the Loma Linda Cafe, Decoto, for drills.

William Davis, president of the group, is this week preparing letters to be sent to each of the Chambers of Commerce of the township, asking them to furnish flags bearing the name of the community, these to be carried in each of the parades in which the group appears. Davis said yesterday that attractive flags can be purchased for approximately $9 and expressed hope that the communities would all participate to offer the group a more colorful appearance, besides helping to boost the township and its communities.

He added that the organization is still in need of an experienced marshal to lead them in their drills and asked that anyone having such experience join the group.

COUNTY PROPERTY TAX RATE HIGHER

Alameda county's property tax rate of $1.93 for general county purposes for 1947-48 was 40.6 cents higher than the $1.524 rate for 1946-47 and 83.97 cents greater than the war-time low rate of $1.0903 levied for fiscal 1945, California Taxpayers' Association revealed this week, analyzing tax rate trends in California counties.

The rates for general county purposes for 1947-48 are higher than for 1946-47 in thirty California counties, show no change in five, and are lower in twenty-three counties, the association found.

"The county is only one of several governments which levy against property in any community," the Taxpayers' Association said, pointing out that in addition to the local tax bill, state and federal taxes for 1947-48 brought taxes to an average of $506 per capita for every man, woman, and child in California.

JUNIOR TRAFFIC BOYS RECEIVE CERTIFICATES

The boys in the eighth grade of the Centerville Elementary School, who served on the Junior Traffic Reserves, received certificates giving special approval for efforts in preventing accidents.

The officers honored were: Jack Ferraris, Lupe Ruano, Leonard Brown, Raymond Rodrigues, Frank Senn, George Hammers, Ronald Martin, William Perry, George Pimentel, Tito Lardizabel, Donald Elston, Joe Alexander and Billy Ward.

ROBERT LEWIS TO GRADUATE TODAY

Robert Lewis, son of Mr. and Mrs. M. W. Lewis, Centerville, will be among the class of 127 to be graduated today (Friday) from San Francisco School of Mortuary Science. Exercises will be held at the Congregational Church in San Francisco, at 8 p.m.

Lewis, a graduate of Washington Union High School with the class of 1944, entered the school in San San Francisco after his discharge from the U. S. Coast Guard.

TOMATO GROWERS PLEDGE TO HOLD FOR $29 PER TON

Tomato growers of Alameda county met at Washington Union High School Monday evening and pledged to "hold the line" for a minimum of $29 per ton with a ten per cent tolerance and free boxes for their coming crop.

It was reported that processors had signed many of the local growers at the $29 price but are now in the field offering but $25. It was estimated that 25 per cent of the growers throughout the county still have not contracted their crop. One grower reported that he had signed a contract for $31 per ton for his pear tomatoes.

PLOWED UNDER

It was also reported that several growers had plowed under their field of tomato plants to replace them with other crops in protest to the prices being offered by the processors.

The meeting was called and conducted by Joseph Rose, Pleasanton, chairman of the local tomato growers association. New by-laws for the County Tomato Section, affiliating them with the California State Farm Bureau, were read and adopted at the meeting.

Speaker of the evening was Newt Robinson, Stockton, chairman of the State Tomato Growers' Association.

DISCOURAGE SMALL GROWERS

In his talk Robinson urged the local growers to discourage the "marginal growers," pointing out that because of financial difficulties this type of grower is forced into signing a contract far below the scale and thus competing with the year-by-year growers by tending to drag down the tonnage price. He stated that this year there are about 77,000 acres in tomatoes in California, as compared with 90,000 last year.

NILES CHAMBER ARRANGING EXHIBIT

President John Brahmst of the Niles Chamber of Commerce on Tuesday appointed Dr. T. C. Wilson to have charge of the Chamber's exhibit at the Alameda County Fair. Dr. Wilson will select his own committee.

He plans to make the exhibit, the only one being set up by a township chamber of commerce, representative of all interests of the Niles area. Exhibits illustrating farming, business and industry are being arranged, and he is asking that persons having photographs of homes and gardens suitable for showing turn them in to Secretary Vernon Ellsworth.

"We have a fine booth," he states, "and we want everyone interested to help us make a nice display to represent Niles."

NILES PARENTS, TRUSTEES, IRON OUT TROUBLES

A charge that Niles eighth grade students had been left largely to their own devices while the teacher spent most of the afternoon driving the school bus was made last week by about ten parents appearing at the regular meeting of the Board of Trustees of the Niles Elementary School.

The matter was brought before the board of trustees only after E. D. Bristow, not heeding individual complaints, apparently had shelved the matter. The board of trustees, however, upon being apprised of the anxiety of parents of eighth grade students, promised to make every effort to either hire a bus driver or to rearrange classes so that a member of the faculty would be on duty in the classroom at all times.

OTHER GRIEVANCES

The parents aired other grievances in the two-hour meeting with Trustees Jack Alberg and George Burr, and Principal Bristow. They asked that the trustees explain the delay between the time that the former teacher, Harold Sweeney, was allegedly found teaching under an assumed name and with false credentials, and the time of signing the complaint which resulted in his arrest.

Other matters that came up for discussion between the parents and the trustees included the noise in the cafeteria during the lunch-hour, the scholastic standing of the school, and teachers' salaries.

TEACHERS' SALARIES

The parents were in accord in the matter of teachers' salaries. They agreed that the present salary schedules, ranging from $2400 to $3600 was none too much. They even implied that they would like to see a substantial hike in teachers' salaries generally. No comment was made on Bristow's recent raise to $5500, with $300 traveling expenses.

The session between the trustees and parents closed on a note of amiability, the trustees urging the parents to attend future meetings to help them keep abreast of school problems. They promised complete cooperation, and expressed a desire to do anything they can for the betterment of the school.

ATTEND CONFERENCE

Attending the California editors' conference at Stanford University last Saturday were Mr. and Mrs. L. R. Batman. Mr. Batman headed a round-table discussion group for weekly newspapers.

The main speaker at the luncheon, held on the campus, was Thomas G. Lanphier Jr., editor of the Boise (Idaho) Statesman. Mr. Lanphier, who gave a highly entertaining and amusing talk, is the nephew of a former Niles woman, Mrs. Nora Snell.

NILES CHAMBER CONCERNED OVER FAIR PUBLICITY

Concern over the lack of publicity about the Alameda County Fair to be held at Pleasanton July 9 to 17 was expressed Tuesday in a report to the Niles Chamber of Commerce.

Dr. T. C. Wilson, who heads the Chamber's fair committee, attributed the situation to the Fair Association's hiring of William P. Kyne, race track magnate, whose organization is supposed to be taking care of publicity. He stated that Kyne's personnel are devoting all their time to the present Bay Meadows harness meet and neglecting the Alameda County Fair.

One effect of the lack of publicity, Dr. Wilson said, will be a smaller showing of farm products than there should be.

"The hiring of Kyne, in the first place," Dr. Wilson said, "is an admission of inefficiency by the Fair Association. Successful fairs are held in other counties without his services."

He went on to state that in his belief the fair this year is likely to be principally a racing meet, and that after it is over there will be another attempt made to sell the race track.

MORNING SESSIONS FOR LOCAL COURTS

Effective July 16 morning sessions will be conducted in the Niles and Centerville Justice Courts. The announcement was made this week by Deputy District Attorney Frank Vukota after conferring with Judge E. A. Quaresma and Judge Allen G. Norris about the change from the afternoon sessions.

Under the new plan, court will be held in Niles beginning at 9 a.m. and at 10:30 a.m. in Centerville.

Also on July 1 all traffic cases will be sent to the Niles court before Judge Quaresma. The two judges alternate the traffic cases, each taking them for a period of six months.

Establishment of Township Hospital District Is Not Possible Until July 1949

The establishment of a Washington Township Hospital District, authorized by voters at the June 1 primary election, struck a snag this week which will prevent it from becoming a legal district until July 1, 1949.

The local hospital committee, which has been working for an early conclusion to the legal establishment of the district in order to apply for state and federal appropriations, was notified by the district attorney's office of the legal restrictions.

BEGINS WITH FISCAL YEAR

They were informed that although approved by the voters, the district will not be declared created until certified copies of the election results are filed with the county recorder and the Secretary of State.

Only then, according to the district attorney's office, can the supervisors appoint the hospital district directors, each to serve a four year term.

Taxes to operate the district cannot be raised immediately. A statement of creation of the district and a map of its confines must be filed with the county assessor and the State Board of Equalization by February 1, 1949. Taxation, based on 20 cents on each $100 assessed valuation, is effective only from the start of the 1949 fiscal year, allowing the Board of Equalization time to fix the value of utilities within the district, and the assessor likewise has to make appraisal.

MAY APPLY FOR AID

It was determined, however, that while the district is still in the formative stage, application can be made to the State and Federal governments for priority in financing the construction of a hospital.

A 50-bed hospital is tentatively planned for the township at an estimated cost of $600,000. The committee is seeking to obtain one-third of the cost from the state and another third from the federal government.

County Supervisor Chester Stanley will make the appointments of the board members when the district is certified.

MAY RE-ORGANIZE DRAFT BOARD HERE

Action in neighboring communities this week toward re-organization of the draft boards which served during World War II, led local men who served to believe they may be called on again to act in that capacity.

The pending new draft law would reportedly require just such a board as served here previously and the appointments will be made by Governor Earl Warren. Judge Allen G. Norris, Centerville, chairman of the former draft board, said this week that he had not been contacted in any official capacity as to whether the former members of the board would be willing to serve again.

The other members of the board, which served Murray, Pleasanton and Washington Townships, were: Judge Manley Clark, Livermore; Manuel Lewis, Centerville; E. E. Enos, Niles; and Sam Whiting, Pleasanton.

THREE STATIONS RECEIVE AWARDS

Railroad stations at Niles, Centerville and Newark were among the first nine stations to win special certificates for good housekeeping on the western district of the Western Division of the Southern Pacific, according to the May-June edition of the Southern Pacific Bulletin.

Three stations in each trainmaster's division were chosen as having met the necessary qualifications for cleanliness of stations, station grounds and warehouses; care in keeping accounts and handling correspondence; and service to the public. Trainmaster A. J. Ferrera recommended the three above mentioned stations for the award in his district.

Accompanying the article are pictures of Niles staff, K. P. Bruner, agent; Manuel Schwartz, cashier; C. R. Patrick, telegraph-clerk; and A. J. Ferrera, trainmaster; and a picture of S. F. Kiernan, agent of the Centerville station. No picture was available of the Newark staff.

QUESTIONS AND ANSWERS ON NEW LAW

* * * * * * * * *

DRIVERS WARNED OF JULY 1 DEADLINE

Q. What is the California Financial Responsibility Law?

A. It is an act designed to protect the citizens of California against proven financially irresponsible drivers. In simplest terms it declares that a motor vehicle operator who kills or injures another person or damages his property in excess of $100 must stand prepared to make a financial settlement with the victim or forfeit his driving privilege.

Q. When does the California Financial Responsibility Law become effective?

A. July 1, 1948.

Q. Who administers the law?

A. The Department of Motor Vehicles .

Q. How does the Financial Responsibility Law operate?

A. It requires every driver involved in an accident causing injury, death, or damages in excess of $100 to the property of any one person to make a report on a special form to the Department of Motor Vehicles, Financial Responsibility, Sacramento, within 10 days. Within 60 additional days the driver must deposit sufficient cash of security to meet any damage judgment arising from the mishap. Automobile liability insurance meets the security provisions. Your driver's license will be suspended automatically if you fail to meet either of these provisions.

Q. What is the procedure if I carry automobile liability insurance?

A. You must make a complete accident report. You will fill out the insurance slip at the bottom of the report form. The Department will send the insurance slip to your insurance company whose responsibility it will be to advise if you are not covered. If you are, you have met the requirements of the law.

Q. Who determines the amount of security to be deposited with the Department of Motor Vehicles?

A. Evaluators of the Department set the amount after study of all reports on the accident.

Q. Where can I obtain accident report forms?

A. From any office of the Department of Motor Vehicles, California Highway Patrol, Police Department, Auto Club or your insurance agent or broker.

Q. Am I liable under the law if the accident wasn't my fault?

A. Yes. It makes no difference whether you were to blame or not.

Q. What is the procedure if I am so badly injured that I can't report the accident?

A. Have someone prepare the report for you. If you were not the owner of the car, it is the owner's responsibility to see that the report is made.

Q. If a vehicle owned by me and driven by another person is involved in an accident do I have any responsibilities or duties under the act?

A. If you were driving your car it would be your responsibility to report any accident covered by the law and provide the necessary security. The law is enforced through drivers instead of owners of vehicles. However, if the driver of a motor vehicle owned by you is so severely injured he cannot report, it is your responsibility to do so.

Q. Is the Financial Responsibility report the only one I have to make at the time of an accident?

A. No. In addition to identifying yourself properly to others involved, you must report to law enforcement authorities in writing within 24 hours in case there is no death or injury. The report must be made to the local police department if the accident occurred within an incorporated area. Other-

JUST RUMORS?

Rumors are flying and several little busy birds have said, "Did you know?" or "Have you heard?", so it is really too good to keep so I am just passing it along to keep friends and neighbors guessing. Did you know that on June 29 in Monterey a prominent teacher from Irvington and a benedict from the Mission are to be married. No telling where the honeymoon will be but they will be making their home very close. For months they have been furnishing this home and getting all in readiness for the big day, and home-coming. Gee whiz, why don't they give their lifelong friends and neighbors a break. "Secrets will out," uno.

FUTURE PLANS

Here's just a look into the future for the graduates from the high school and what each plans to do for the summer and future years, they hope: Barbara Jibson (Santos) already has her life's work laid out for her, for she will continue to be the happy housewife and keep the "Dream House" spick and span for hubby Mervin. She would also like to work in the banking business but nothing definite is in the offing. Lawrence "Nonie" Fernandez will work this summer and then in the fall, since he is an outstanding athlete, he has been advised to go to San Mateo College where he can take up coaching which he wants to make his life's work. Miss Virginia Lawrence, though engaged to Robert Oliveria, will not be married until the fall so she is going to Lee Ann's Beauty School in Oakland to learn the art of beautifying the human race. She won this course some time ago by answering an advertisement. Robert McIvor, who has been working most of the winter as an apprentice carpenter, will continue. Evelyn Meyer is hard to pin down so we are afraid we cannot give an accurate account of her future so "nuf sed! Della Mora is continuing to work as she has before, but hopes to get into secretarial work for the summer and continue a business career this fall at some college. This also is the wishes of Regina Schneider who has made application in several places and if necessary she will go into a business school to become a business woman. As for Mary Edith Santos, she does not stay put long enough for me to catch up with her so I cannot tell what her future plans are.

RETURNS HOME

After a long and very pleasant trip which took two months, and covered the U. S. as far east as New York and Niagara Falls, into Canada, and then to Seattle, Wash., and home again to Mission San Jose, Mrs. Marie Aust is back. She visited a sister in New York and other relatives and friends in Canada and her daughter, Florence (Mrs. Walter Kane Scott) and grandchildren and Mr. Scott in Seattle. She was very happy to be home again and although she had a marvelous time there is still no place like home, especially when that home is in the Mission and son Paul was most happy for now Ma is home to do his cooking.

LOCALITES LEAD AT R. C. CONVENTION

Leading the procession of about a thousand uniformed workers of the Motor Corps and Gray Ladies into the San Francisco auditorium at the National Red Cross convention last week were three members of the Washington Township group, Mrs. Anthony Fields, Mrs. Clarence Crane and Mrs. Jack Holland. With representatives from all over the nation present, it was considered quite an honor to the local group to be able to lead such a procession.

Other localites who were present at the conference were Mrs. Peter Quartaroli, chairman of Motor Corps, Mrs. Hugh Kibby, also of Motor Corps, and Mrs. Reginald Calhoun and Mrs. John Talley of the Gray Ladies.

PAVING OF PINE STREET EXPECTED

A report given by Manuel Lewis at the luncheon meeting Wednesday of the Centerville Chamber of Commerce indicated that the county expects to take over the maintenance of Pine street in the Hansen Tract in the not too distant future.

Lewis told the group that County Supervisor Chester Stanley had informed him that the petition of the home owners in the tract had been received and had been referred to the County Planning Commission, along with the supervisors' recommendation that the action be taken.

Secretary Ralph Goodwin read a request from the Associated Chambers of Commerce asking for the endorsement of a petition seeking the establishment of a Land Development Committee of Alameda County. The group voted to submit the matter to the Board of Directors for further study.

LOCAL MEN JOIN ARMED SERVICES

Proof that young men of the Niles and Centerville area are sold on the many advantages of a service career was evidenced this week through information released by the Army and Air Force Recruiting Station in San Leandro.

Not only are original enlistment figures for this area showing a marked increase, but the rate of re-enlistments of veterans has shown a marked upswing as a result of the new special assignment policy offered by the Army.

Veterans of all branches of the service who hold honorable discharge may reenlist in grades commensurate with their training and receive assignments of their own choice both in the local or outside areas.

Master Sergeant William Cote, who is the local representative of the recruiting service, stated that the high pay and security offered by a service career has been a primary factor in the increase in local enlistments of both single and married men.

The following men from this area were sworn into the service during the last quarter and many more are now awaiting the results of their mental and physical examinations before completing their processing.

Jesus Almanza, Newark, army; Lorenzo Acosta, Alvarado, air force; Richard Blakely, Duarte avenue, Niles, army; Clarence Brewer, Route 1, Niles, army; Frank Barao, Newark, army; John Edgmon, Centerville, army; John Fletcher, Alta Vista, airborne; John Martinez, Centerville, army; Gaylor Miller, Canyon Heights, Niles, air force; Samuel Ogle, Niles, army; Manuel Ponce, Decoto, army; John Quiroz, Decoto, army; Edward Romero, Decoto, air force; Joseph Ruano, Newark, army; Anthony Santos, Centerville, air force; Lorenzo Samarron, Alvarado, air force; and Clyde Taylor, Irvington, air force.

Sgt. Cote stated that due to the many inquiries now being received, in addition to the San Leandro station, which is located in the city hall in that city, a substation in Hayward is now being operated in the basement of the post office building open Monday through Thursday from 9 a.m. to 4 p.m., and on Saturdays from 9 a.m. to 12 noon. For those men desirous of obtaining information regarding the army or air force who are unable to get into these stations, a phone call to LOckhaven 8-5708 will bring a qualified interviewer to the applicant's home at any time desired.

IRVINGTON C. of C. VOTES SALE OF BUS

The Irvington Chamber of Commerce, at a luncheon meeting held Tuesday at Roethlin's Cafe, voted to accept the highest bid of $500 on the bus owned by the organization.

The group had originally planned to operate the bus as a service to the Scout Troops and other civic groups, but after determining the cost of operation decided against undertaking the proposition and offered it for sale.

Allan Hirsch, chairman of the park committee, stated that the sprinkling system is now completed and that the Espinoza brothers, who are donating their services, are expected to begin the landscaping within the next few days.

NILES FIRM WILL CLOSE FOR VACATION

Perhaps they're starting a custom that will sweep the township. Who knows?

Well, anyhow, if the plan recently concocted by Ernie Frick doesn't become universal in the township, at least it gives every indication of becoming a very popular plan with his employees. For, starting July 3, Frick's Plumbing Shop will close up and everyone will have a week's vacation.

Just to give a little idea of who the lucky employees are and what plans they've made for that welcome week, we're printing their itinerary as follows:

Ernie Frick and his family will try out the new house trailer on a trip to Santa Cruz.

Charlie Frick—with a brand new DeSoto to break in—will head for Santa Maria and points south.

Clarence Musgrove says he has nothing planned. Is just going to "loll around."

Richard Davis will spend his time waiting for that new automobile.

Woodie Nickel and family will head for Los Angeles, providing he gets all the work completed in his back yard and doesn't take too much time out for golf.

Frank Lewis is planning "nothing definite." There's too much work to do around the house.

Bruce Nickel, Jeanne Oliveria and his father, Tom, will take a trip to Los Angeles.

Vincent Maldanado and Gordon Hernandez will play in an intercity softball lodge tournament in Los Angeles, after which they will go to Mexico.

Carl Crosswhite is making no committments.

Mae Berryman and son, Ronald, may, or may not, go to Yosemite.

Barney Langner and family who have "lots of things to do around the house" will not do them, but will take a trip to Los Angeles to visit friends.

Earl Farmer will work at home.

TWENTY YEARS AGO...

Having Fun at 'Lunatics Exchange'

The completion of the school year, coinciding with the completion of a large rumpus room at the Rose home at 517 Second street, Niles, was the motivation for a party last Saturday night given by Dolores Rose, a student at San Jose State, for some of her school friends.

The rumpus room was decorated with crepe paper and balloons. Highlights of the evening's festivities included balloon rodeos, which produced screams, pops and laughs; a Lunatics' Exchange, for which each guest brought something he no longer wanted and exchanged it with another guest (this really lived up to its name); and finally, wire recordings were made secretly of several parts of the evening which were later played back to the unsuspecting participants.

Those who attended included Vivian King, Mary Duarte, Duilinda Duarte, Amelia Silva, Herta Tack, Marjorie Callow, Ruth Cotton, Peggy Katowski, Shirley Thompson, Gail Byrne, Gay Leal, Fred Costa, Leslie Halliday, Richard Meyers, Eugene Robinson, Dick James, Johnny Bishop, Bud Bottle, Anthony Rodrigues and Bob Athenaur.

PATRICIA MOHN, CARL PIERCE EXCHANGE VOWS AT SUNDAY CEREMONY AT NILES

The Niles Congregational Church, decorated with stately bouquets of white snapdragons, gladiolas, lilies, and delphinium, presented a regal setting for the marriage of Miss Patricia Mohn and Mr. Carl Pierce Sunday afternoon. The church was filled with friends of the young couple who witnessed the reading of the ritual by the Rev. Donald Kirkbride.

Preceding the bride and her father, Mr. Lorin Mohn, to the altar were the maid of honor and the bridesmaids. The maid of honor, Miss Ruth Pierce, the bridegroom's sister, wore pink Swiss organdie, with a coronet of bouvardia and carried a bouquet of pastel-colored sweet peas, with green satin streamers.

The bridesmaids, Pat Owen, Beverly Bennett and Greta Mohn, made a colorful picture in pale green Swiss organdie. They, too, wore coronets of bouvardia in their hair, and carried pastel-colored sweet peas tied with pink satin streamers.

The bride's gown, of white marquisette with satin insets, was fashioned with full skirt and tight-fitting bodice, with shoulder drape. A long train, and a finger-tip veil held in place by a headpiece of seed pearls, completed the costume. She carried a bouquet of orchids, white carnations and bouvardia, tied with white satin streamers.

Mrs. Lorin Mohn, mother of the bride, wore a navy print gown, accented by a corsage of gardenias.

Mrs. E. O. Pierce, the bridegroom's mother, was attired in a grey suit, also with gardenia corsage.

Mr. Luther Hudson was best man. In the usher group were the bride's two brothers, Milton and Lorin Jr., and Wayne Davis.

Miss Lorraine McLain sang two solos for the ceremony, "Because" and "Always." She was accompanied at the organ by her mother, Mrs. G. G. McLain.

At the Mohn home on I street, the bridal party received over 125 friends against a backdrop of white snapdragons and white gladiolas. The wedding table was beautifully decorated by Mrs. E. D. Meeker. Those who assisted in decorating the church included Mrs. Bea Fournier, Mrs. Gertrude Davis, Pat Owen, Beverly Bennett and Barbara Re.

Out-of-town guests who arrived for the occasion were Mr. and Mrs. L. Siegler and three children of Vallejo, Mr. and Mrs. Jerry Bonner, Mr. and Mrs. Fred Lumberg and Mrs. Pearl Wiseman, all of San Francisco; Mr. and Mrs. Robert Cannon and Mr. and Mrs. Oscar Larson of Palo Alto; and Private Henry Abbas, Army Air Corps, of Hamilton Field.

For her going-away costume the bride chose a pink dress with white accessories. After a week's honeymoon, the just-weds will return to make their home in Newark.

Localites Have Fun At Salinas Rodeo

Sleeping under the stars in true Boy Scout fashion at the Salinas Rodeo were several localites who attended the gala and thrilling show and the mammoth parade. They included Lawrence Pine, Mr. and Mrs. Raymond Murphy, Mr. and Mrs. Joe Noguerra, Mr. and Mrs. Joe Fereira, Mr. and Mrs. William Garcia Jr., Mr. and Mrs. Arthur Fereira, and Mr. and Mrs. Gene Bettencourt and Jimmy.

They had a wonderful time and are still talking about it. While in the cowboy city the boys visited their former high school coach, Jess Regli of Salinas Junior College.

Attend Rodeo

Irene Harvey and son, Gerald, of Irvington, and Les Callahan of Mission San Jose, were among the localites attending the Salinas Rodeo.

Former Niles Girl Wed in Nevada City

Of interest locally is the marriage recently in Nevada City of Miss Doris Oliver and Robert Howland at the Trinity Episcopal Church of Nevada City. The bride, who was born in Niles, and has many friends here, is the daughter of Mr. and Mrs. M. A. Oliver, Willow Valley Road, Nevada City.

Mr. Howland, formerly a sergeant of the Marine Corps, saw action overseas during the war with the 4th Marine Division.

The couple will make their home in Nevada City.

Leave for Minnesota

Mr. and Mrs. Ernest Lang and daughter, Darla, of Niles, left Wednesday morning for Lamberton, Minnesota, called by the serious illness of his mother, Mrs. Carl Lang. They plan to remain about three weeks.

Party Honors 75-Year-Old

Mr. and Mrs. Joe Jason of Centerville were hosts recently to 24 relatives at their home on Parish avenue, honoring her mother, Mrs. Gertrude Santos, on her 75th birthday.

Four generations of her family present made the day a memorable one for the birthday celebrant, who wore an orchid, the gift of her granddaughter, Eva Jason.

A chicken dinner and delicious home-made raviolis, made by the hostess, were served to the happy crowd, which included Mr. and Mrs. John Escover of Santa Cruz, Mr. and Mrs. John Alameda and family of Campbell, Mr. and Mrs. Harold Buckner and daughter, Mr. and Mrs. Manuel Escover and family of Los Gatos, Mr. and Mrs. John Santos and daughter, and Mr. and Mrs. Joe Santos and daughter of Centerville.

Mrs. Santos also has two other granddaughters in Florida, Marjorie Jason and Esther Frei, and one great-grandson, Ernie Fessler Frei.

Surprise Party for Walter Wipfli

Walter Wipfli, Irvington, was the surprised guest of honor at a stag party given by his friends at Roethlin's Cafe last week. The party was given in honor of his coming marriage in Las Vegas. On a ruse worked out by Tony Vilela and Walter Roethlin, the unsuspecting honoree was asked to step into the banquet room where he was greeted by 48 of his friends who presented him with several gifts and enjoyed a buffet lunch.

Local Couple Leave for Alaska

Dr. and Mrs. E. C. Grau and daughter, Betty, are leaving today by plane for Seattle, on a two weeks' vacation tour that will take them as far north as Nome. They will go from Seattle to Seward by boat, and will take several sightseeing side trips by plane and boat. On the Fourth of July holiday they will be flying over Siberia.

NEWLYWEDS ON WEEK'S HONEYMOON; WILL MAKE THEIR HOME IN NILES

By THELMA McNIEVE

Miss Leona Miller became the bride of Moe Oliveira of Niles on Sunday, June 20, at 2 p.m., before the altar of St. Edward's Church, which was beautifully decorated with white summer daisies. Rev. James McLaughlin officiated at the wedding ceremony. The bride was given in marriage by her uncle, Harry Miller of Niles.

She chose a suit of pale green for the wedding, with a full ballerina skirt. The jacket was designed with a tight fitting bodice and was accented by a double peplum at the waist. She wore a contrasting hat of purple, brown alligator shoes and carried a prayer book with a marker of orchids and bouvardia streamers.

Miss Mildred Oliveira, maid of honor, was smartly dressed in a gray wool gabardine suit, wearing a white hat and snakeskin shoes. She carried a bouquet of white carnations.

Mrs. Beatrice Miller, mother of the bride, chose a flowered gown with black accessories and an orchid corsage.

The benedict's mother, Mrs. Alexander Oliveira, wore a print gown, dark accessories and an orchid corsage.

James Miller stood with his brother-in-law as best man.

The groom is the son of Mr. and Mrs. Alexander Oliveira of Niles.

A reception followed at the bride's home on Ash street, Newark, where many lovely gifts were on display. The newlyweds are honeymooning for a week and on their return will make their home in Niles.

Sunday Nuptials For Dorothy Adams

A rehearsal party this Saturday night to precede the Sunday wedding of Dorothy Adams and Mr. Arthur Milo Davis will be held at the L. H. Adams home in Irvington, with members of the wedding party present for pre-nuptial festivities. The bride will say her "I-do's" at a 3:30 o'clock wedding to be held in the gardens of the Adams home.

Those who will be present at the Saturday rehearsal and dinner are the matron of honor, Mrs. Delphine Barney White of Vallejo, the bridesmaids, Willa Jean Langfield of Watsonville and Carol Palmer of San Francisco; the flower girl, Phyllis Standfield of Niles; the best man, Mr. Burdette Tordofs of Berkeley; and ushers, Spencer Turner Allen of Independence, Mo., and Clarke E. Vincent of Lamoni, Iowa. All of the wedding attendants were classmates of the bride and groom at Graceland College in Iowa.

The wedding ceremony will be performed by the bride's father, Elder Lewis H. Adams, former pastor of the San Jose branch of the Reorganized Church of Jesus Christ of Latter Day Saints. The Rev. Jacob Harvey McCartney of Broadmoor Community Church of San Leandro, a family friend, will give the bride away.

A reception will be held in the gardens following the ceremony, after which the couple will leave on a ten-day honeymoon, to return to an apartment in San Leandro.

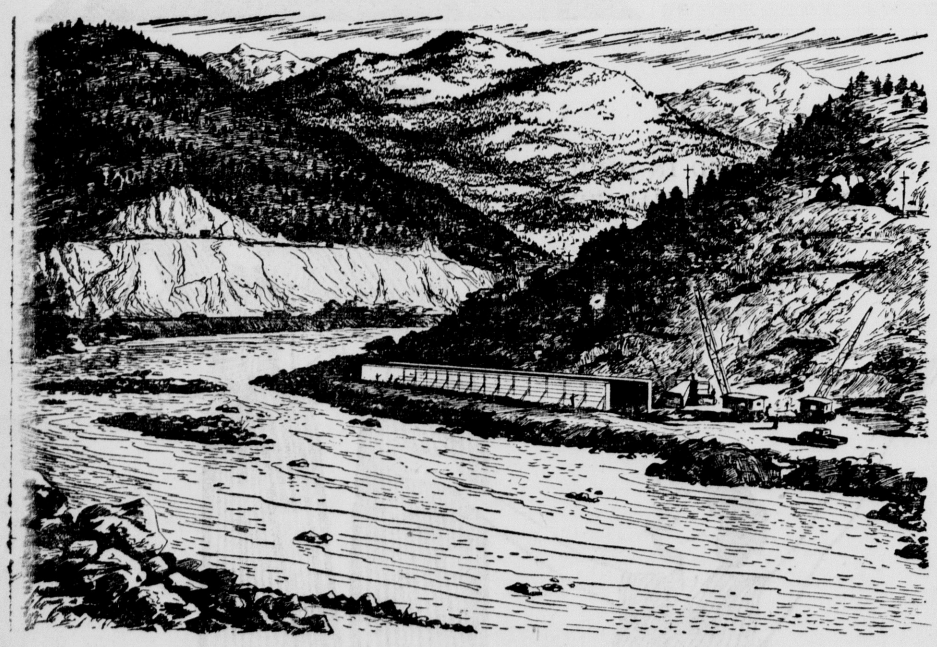
How to dam a mountain river



Feather River trout are getting a new stream bed temporarily, as the first step in a power project that will soon create 270,000 new electrical horsepower for Northern and Central California. This is the site of P. G. and E.'s Rock Creek Diversion Dam, near Belden...and work is going ahead rapidly with many interesting engineering tricks speeding progress. For example:

While the river splashes in its new channel, a small rock dam keeps the main river bed dry. Once the large dam is complete, water to turn generators will be carried to a powerhouse down stream through giant tunnels.

Architect's sketch shows how the dam will look. It's one of two dams on the Feather River which will start delivering power by the Fall of 1949. Meanwhile, P. G. and E. is rushing all construction at a rate of over $10,000,000 a month.

FOR THE RECORD
P.G&E ALREADY HAS A GENERATING CAPACITY 176% THAT OF HOOVER DAM
52% GREATER THAN GRAND COULEE AND SHASTA DAMS PUT TOGETHER
OUR CURRENT CONSTRUCTION PROGRAM WILL ADD NEARLY TWO MILLION HORSEPOWER TO THIS TOTAL
MORE THAN ⅓ OF THIS NEW POWER WILL BE SERVING YOU IN LESS THAN A YEAR ...WE'RE GOING FULL SPEED AHEAD

EASY VICTORY FOR MARLO PACKERS

The Marlo Packers of Decoto enjoyed a field day at Ashland Sunday by thoroughly trouncing the East Oakland Red Sox, Negro baseball club, to the tune of 17 to 2.

Joe Sanchez started on the mound for the locals and was relieved in the fourth by Pete Rebeijo as Manager Al Ferreira shifted his line-up in an attempt to provide the spectators with a better game. Vernon Vargas went the full nine behind the plate for the Decoto club, and hammered out two triples in his turn in the batter's box.

Sunday the Decoto lads will return to Ashland for an encounter with the Carpenter's Union of Oakland.

NILES MERCHANTS ON SCORING SPREE

The Niles Merchants won a base-running duel Sunday against the Diablo Sheet Metal team on the Danville diamond by the score of 20 to 13.

Manager Tom Pugmire's men got 21 hits and committed five errors and the Metal workers got 14 hits and committed 9 errors. Every player on the Niles club got at least one bingle, led by Shortstop Chuck Castleman, who got four hits for 7 times a bat, one of them an eighth inning triple with the bases loaded.

Joe Peters, a southpaw newcomer for the local team, went the full nine on the mound for the Niles men, getting nine strike-outs and giving up two walks.

SPORTS

MISSION FIREMEN STEELERS, RETAIN LEAGUE LEADS

Litle change in the standings of the American and National Leagues of the Washington Township Softball Association resulted from this week's round of play.

Pacific States Steelers still perched atop the National ladder with a perfect record of seven wins and no losses, while Mission Firemen retained undisputed top honors in the American with six victories and one loss.

A summary of the week's games:

Monday evening Mission Junior Firemen climbed another notch in the National League standing by defeating Frick's in the curtain raiser by a score of 8 to 3. Kleine's retained their second-place spot by downing Vilela's, cellar team, 5 to 1.

Tuesday, Mission Firemen had little difficulty with Native Sons, winning 5 to 1 in the opening game and Wedgewood unleashed a batting attack that netted them 15 runs and allowing Kraftile but 5 base circuits.

Wednesday, Westvaco, in a hard-fought battle, came out a 3-2 victor over Central Chevrolet, but the game has been protested by Central on the claim that a "vaco" baserunner left third base too soon on a caught fly ball. Pacific States Steel romped over L & V, getting 12 runs while Pitcher Harry Avila held the opposition to a lone run.

NEW TEACHER AT NILES

Mrs. Jed Oxborrow, Niles, has been employed as an instructor in the Niles Elementary School for next year, and will teach the kindergarten, according to E. Dixon Bristow, district superintendent and principal of the school. She replaces Mrs. E. D. Meeker, who resigned.

TO ATTEND STATE MEET

Charles Wauhab, Centerville, will attend a meeting of the California Chamber of Commerce at San Jose today (Friday). Wauhab is a member of the agriculture committee of the state group.

IRVINGTON NIPS PETALUMA NINE

The Irvington Merchants emerged the victors in a nine-inning baseball game at Petaluma last Sunday by out-hitting and outscoring the merchants of that community 5 to 4.

The win for Manager Frank Mayer's team was attributed to the power hitting of J. Davis and Ted Garcia. Davis, who held down the catcher spot, was at the plate four times and got four hits for a perfect day. Two of his hits were for extra bases and he scored two of the runs. Second Baseman Garcia got three for four, a single, double and triple.

The Irvington lads went into the final frame with a 5-3 lead but nipped a Petaluma rally after allowing one run. Pitchers A. Dutra and C. Stewart, who shared the mound duties for the locals, allowed but 10 hits.

Sunday the club will be pitted against the Concord Merchants on the diamond at Concord High School in a game called for 2 p.m.

CHALLENGES MADE BY CIVIC GROUPS

Challenges are flying thick and fast in Washington Township with civic organizations of many of the communities daring other groups to meet them in athletic contests.

It all began with the Centerville Chamber of Commerce issuing a challenge to the Irvington Chamber of Commerce to meet them in a softball game. This was followed by a letter from the newly formed Young Men's Institute to the Irvington Chamber, asking that the two organizations meet to battle it out in a donkey-ball game.

The latest challenge, and the only one accepted to date, was made by the Decoto Chamber of Commerce to the Niles Junior Chamber of Commerce. Secretary Vernon Ellsworth said yesterday that it had been arranged for the two teams to meet on the "field of battle" at the Decoto Elementary School diamond on Sunday, July 11, at 10 a.m.

FOUR LOCAL YOUTHS ENLIST IN NAVY

Four Washington Township youths, all graduates of Washington Union High School, have enlisted in the U. S. Navy and are now at the Naval Training Center at San Diego, according to E. N. Phipps, A. O. C., recruiter for this area. The new navy men are: Frank J. Reis, Newark; Rudolph Mendonca and Ronald Cozzi, Niles; and Thomas L. Garcia, Decoto.

Chief Phipps also revealed that during June, qualified high school graduates who join the navy may choose any one of 28 different technical schools and be assured of specializing in that skill during their three years in the navy. After June 30 assignment to these schools will be on a quota basis, he added. The office of the local recruiter is located in the City Hall in San Leandro.

HAS LARGE SHOWING

The 1949 model Ford cards had their premier showing last Friday, Saturday and Sunday and according to a tabulation kept by Joe Adams at his Centerville garage, slightly more than 2,000 persons visited the local showrooms during the three days to see the new models.

JR. LEGION TEAM BOWS TO OAKLAND

Gene Bramwell, mound ace for the Junior Legion baseball team, sponsored by Washington American Legion Post and Joe Adams, lost a pitching duel against Oakland mound star Pagan on the Oakland diamond last Sunday 3 to 2.

Two costly outfield errors on the part of the local club gave the upper county lads two unearned runs and the difference between defeat and victory.

The game scheduled for last Saturday against Piedmont was postponed.

Saturday the local juniors will journey to Hayward for an encounter with their junior legion club and Sunday the Washingtonites will be hosts to San Leandro on the Washington Union High School diamond in a game scheduled for 2:30 p.m.

Thinking Things Over...

By VIVIAN BATMAN

A WEIGHTY MATTER

It seems that Bob Wright of Irvington carries more weight in that little town than you might suspect. He was called in by Dr. J. H. Durham, venerable Irvington dentist, the other day to settle an extraordinarily "weighty" matter.

Dr. Durham, it seems, had given an exceptionally vigorous twirl to his dentist chair, with the result that the chair spiraled up into the air—and stuck there! He tried all of the mechanical means at his disposal in an attempt to bring the flighty chair down to earth, but without success. Then, in desperation, he called in Bob Wright. With Bob's weight — well. the chair's down, isn't it?

FOR NEWARK ONLY

Is there something poison in the name of "Newark"?

In last Sunday's S. F. "Examiner,' a whole spread was devoted to pictures of the salt works which they coyly referred to as salt works in the "east bay' or "near Dumbarton bridge." Not once was the name of Newark mentioned. This will naturally make the Newark Chamber of Commerce very, very mad. They may not wait until the Fourth for fireworks.

LIKE IT?

How do you feel about it?

A SUCCESSFUL PARTY

Look, if you want to have a successful party, don't bother about the usual ice-breakers after this—the cocktails, party games, quizzes. Just simply arrange your guests, helter-skelter, around the front door. There's something about standing around the front door that breaks the reserve of even the most timid soul. Surely you've noticed the many times when your guests are departing how desperately they've clung to the front door. They like it there. They blossom. Why not put them there in the beginning of the party?

If the weather is cold, you may open the door. Guests seem to prefer to have the door standing open during the cold weather. If the weather is warm, let one of your guests keep his hand on the door knob, to prevent you from getting out into the fresh air. Of course, some guests can keep their hands on the door knobs much longer than others. Be sure you select one of the sturdier souls, who can really cling to a door knob. Then you can't get out, nor can any of your guests. This is wonderful—isn't it?

CHRISTIAN SCIENCE SERVICES

"Christian Science" is the subject of the Christian Science Lesson-Sermon for Sunday, June 27, with the Golden Text from Isaiah: "O house of Jacob, come ye, and let us walk in the light of the lord" (2:5).

The following citation is included in the sermon:

Acts: "And there sat a certain man at Lystra, impotent in his feet, being a cripple from his mother's womb, who never had walked: The same heard Paul speak: who stedfastly beholding him, and perceiving that he had faith to be healed, Said with a loud voice, Stand upright on thy feet. And he leaped and walked" (14:8—10).

Anna Bradford, district deputy president of District 53, accompanied by Mildred Barber, Fern Mitte, Olive Pugmire and Ivy Cull, all of Niles Rebekah Lodge, attended the reception given in honor of Alice M. Schultz, president of the Rebekah Assembly of California, at Santa Rosa last Saturday evening.

Ivy Cull, member of the Board of Control of Theta Rho Girls' Club, I.O.O.F., and Anna Bradford, district deputy president, were guests of Rose Rebekah Lodge recently.

The next meeting of Niles Rebekah Lodge will be held Friday evening, July 2, at Odd Fellows Hall, Irvington. The business meeting will be preceded by a pot-luck supper for members and their families at 6:30 p.m. Later on in the evening the secret pals of the past year will be revealed, and new ones chosen.

The officers and members of Necona Theta Rho Girls' Club No. 46 met in regular session Monday evening, Joan Pereira, president, presiding. The girls had as their guests Mrs. Ellen Thomsen, a member of the Theta Rho Board of Control; Miss Barbara Glassman, marshal of the Theta Rho Assembly; and Miss Darleen Stratton, president of Oakland Club No. 2.

The girls are planning a trip to the Children's Home, I.O.O.F., at Gilroy, on Wednesday, June 30. They voted a vacation from club duties and have announced that their next regular meeting will be held Monday evening, September 7, at Odd Fellows Hall, Irvington.
